# Pharmacy Technician Program

Venture into a new career in one of the most in-demand professions in California and the nation! Pharmacy Technicians in Southern California earn an average of \$47,620 per year, with greater Los Angeles ranking as the third highest urban center for pharmacy technician employment in the nation (source: the U.S. Department of Labor, Bureau of Labor Statistics).

In just a matter of months, our classroom instruction and hands-on externship will give you everything you need to become a licensed California Pharmacy Technician working in a pharmacy. This is not simply a "test prep" class; this is a comprehensive program approved by the Pharmacy Technician Certification Board (PTCB), and it is a fraction of the cost of similar for-profit training programs.

If you are interested in the healthcare field, LACC Extension's Pharmacy Technician Program is the perfect opportunity to get started quickly in a career that makes a difference in the lives of others.

*Payment plan available.*

## Welcome from the College President

Welcome to Los Angeles City College. We are back on campus with more classes, as well as online, and we remain committed to help you achieve your educational and personal goals.

The LACC Extension program offers a variety of classes for you, your friends, and your family members who wish for a career enhancement or just to explore personal interests. Whether it is a class to develop new skills, obtain workforce training, start your own business, or discover a new hobby, we are here to serve you.

We have added many classes to our summer extension schedule, including Special Effects Makeup, Hip Hop Dancing, Introduction to Voice-Overs for Kids & Teens, Salsa Dancing for Beginners, Write a Successful Business Plan for Your Restaurant, Starting a Home-Based Food Business, and many more!

Online classes are offered during the days, evenings, and weekends.

Los Angeles City College remains the place to believe, achieve, and succeed.

Enjoy the summer and I look forward to seeing you on campus.

Warm regards,

## A Message from Our Program Manager

Hello LACC Extension Students!

Summer represents optimism, positivity, hope, and joy. Add some fun to that, and that is exactly what LACC Extension plans to provide this summer term! Some of our classes, like swimming and soccer, are perfect for those who love the sun. For those who want to let loose, consider taking Salsa or hip hop dancing. If you are embracing the merriment of summer, attend our kids summer camp or take a look at the comedy classes that are part of our new Rodney Dangerfield Institute. And just because it's summer, that doesn't mean you can't still be focused on your development; we have plenty of classes and programs for that as well, like our Pharmacy Technician Program or our notary public classes.

Whatever way you spend your summer, we invite you to make LACC Extension a part of it. So please take a look at this term's catalogue and find something that will help you make this summer the best summer ever. We can't wait to see you!

Thank you,

*Jason Lesner*

## Medical Coding & Billing Series

According to the US Bureau of Labor Statistics (BLS), the projection of growth and demand for medical coders and billers is growing rapidly. With the skill set you will obtain in this series, you will be prepared to sit for the license exam for a national certification with AAPC or AHIMA.

So if you're interested in working with a doctor's office, clinic or healthcare facility, dental office, insurance company, or independent billing company, LACC Extension's Medical Insurance Series is a great place to start your career or expand on your skills!

### Part 1: Medical Terminology

To work in healthcare, knowing medical terminology and having the ability to communicate with physicians, dentists, and other medical professionals is a must. Learning medical terminology will open the door to many job opportunities in the healthcare field. Students in this course will receive thorough instruction in developing fluency with medical terms covering the different body systems, body orientation, diseases, and medical treatments. By the end of this course, you will be familiar with word components for quick mastery of countless medical terms and be able to communicate effectively with peers in the field. **No class Sep 3.**

**Required book:** *The Language of Medicine* by Davi-Ellen Chabner. 10th, 11th, or 12th edition. Physical book or .pdf version.

### Part 2: Medical Insurance Coding

In physician practice it is common for the Medical Biller to also be the Medical Coder because physicians depend on the Biller/Coder to determine the diagnostic codes for procedures. In this class, you will learn how to find the proper procedure (CPT-4) and diagnostic codes (ICD-10), how to do proper code sequencing, and when to use these codes. **No class Oct 22 & 29.**

**Prerequisite: Medical Terminology or experience in the medical field.**

**Required Books:** *ICD-10-CM for Physicians* (Professional or Expert). Any preferred publisher. *CPT Professional Edition* (CPT/Current Procedural Terminology). Published by American Medical Association. For both books, old editions are permitted up to 2018 if only to be used for practice (2021, 2020, 2019, 2018). Current edition if to be used for current year's license exam.

### Part 3: Medical Insurance Billing

Once you have taken Medical Coding, you are ready for the final class in the series. In Medical Insurance Billing, students will get a thorough know-how of billing all 3rd party payers for physicians' charges. This class will give you a look into the differences between insurance policies and insurance companies, how to fill out forms required for billing, how to handle patients, and collect their payments. **Prerequisites: Medical Terminology & Medical Insurance Coding. Have your ICD-10/CPT-4 coding books. No class Dec 24 & 31.**

## Electric Vehicle Charging Station Design, Installation, and Operation

One of fastest growing businesses in the USA and worldwide is electrical vehicle charging station (EVCS) installation. Millions of electric cars, SUVs, and trucks will be on the road due to a mandate that states that by 2035 all new cars and passenger trucks sold in California be zero-emission vehicles. This will require millions of charging stations to be installed at garages, parking lots, and roadside electric poles. EVCS installers and service providers will be in high demand all over US and worldwide, and this course offers A to Z instruction of EVCS design, installation, operation, and troubleshooting! Award of Completion issued upon student's achievement of the class. **Class fee includes materials.**

## Become a Solar Panel Installer in Under a Month

**Crash Course in Solar Installation**

Solar-energy jobs are growing 12 times faster than the U.S. economy. Per the Bureau of Labor Statistics, solar installer employment is projected to grow 105 percent from 2016 to 2026, much faster than the average for all occupations. The State of California now requires that all new homes built have solar panels installed. This rapid expansion and adoption of solar panel installations in homes, commercial buildings, golf carts, swimming pools, water fountains, attic fans, and more will result in excellent job opportunities for qualified individuals.

Our crash course in solar design and installation can help make you one of those qualified individuals. The solar industry now employs more people than coal, oil, and gas combined. Great for engineers and engineering students, homeowners, contractors, infotech personnel (smaller and remote-operated systems), and those who want to install, maintain, inspect, or design solar installations. An Award of Completion issued upon student's achievement of the class. **Class fee includes materials. No class May 29.**

## Find Your Life's Purpose

Are you stressed and unfulfilled? Are you looking for less struggle and more joy? Take a life-transforming day with Certified Life Coach Kent Scheibel, who has spent the last two decades studying with leading personal development experts worldwide. Learn how to be in the flow with who you are and share your gifts with the world. Kent will show you how peace comes from cooperating with life, and finding purpose comes from cooperating with who you naturally are. Learn to discard inner obstacles, relax, and be free to be you.

Kent Scheibel was born in Kentucky in 1972 and spent his teens and twenties dealing with what he describes as "crippling depression and anxiety." Through his struggles, he became determined to find happiness and meaning in life. After dedicating twenty

years of his life to studying with personal development experts, meditation masters, and world-traveling, he found the answer to be quite direct and straightforward. "The more one can live in the present moment and be themselves; the happier and more effective they will be." Kent's mission is to coach people from all backgrounds to discover peace and express themselves with authenticity, trust, and love.

The Los Angeles City College Extension Program is proud to introduce The Rodney Dangerfield Institute (RDI). RDI was established in honor of the late iconic comedian with the intention of giving top-notch training to the next generation of comic talent. We are excited to kick off this relationship with a stand-up comedy class and a sketch writing class. We hope you'll join us as we create a space for everyone to develop their comedy skills.

 **Sketch Comedy Writing**

Attention writers, performers, or just fans of comedy! Join this fun course and explore your comedic voice through in-class exercises and take-home sketch writing assignments. By the end of six weeks, students will have a foundation in sketch comedy basics including tools for idea generation, story structure, creating comic characters, set-ups/punchlines, and dialogue.

## Grades, Certificates, Awards of Completion & Attendance

LACC Extension class offerings are not-for-credit. We do not maintain grades or transcripts and do not grant degrees or Certificates as defined by the California Education Code and Title V of the CA Code of Regulations.

Students may request an Award of Completion for any LACC Extension class for just \$10. Students must have 90% or better attendance to be eligible.

LACC Extension and Los Angeles City College do not certify quality of work done nor competencies gained within our offerings unless specifically delineated. Some offerings lead to separate certification of competency or offer credentials from entities separate from LACC and the LACCD, and are specifically noted.

## Room Assignments

Due to ongoing construction, campus renovations, and other factors, LACC Extension has limited access to facilities. Rooms will typically be assigned by the college 1-2 days prior to the start of class. We appreciate your patience and will notify students via the phone and/or email information provided at registration as soon as possible. To aid us in this process, we appreciate a valid email address and local area code phone number on file with your account.

## Credits & Electronic Vouchers

Electronic Vouchers or Credits may be granted to students in lieu of refunds or for other purposes. These vouchers are non-refundable and must be used within 365 days of issuance. Electronic Gift Cards purchased by students do not expire.

## Physical Activity

Some LACC Extension offerings require a degree of physical activity and capability. All participants should check with their physician prior to beginning a new activity.

## Class Cancellations

The State of California mandates that LACC Extension programs be entirely self-supporting. This means that from time to time, we have to cancel a class that does not have enough enrollments. Classes canceled by us are eligible for full refunds and students may always opt to transfer their payment toward another class. Help us avoid cancellations and guarantee your spot – register early and register a friend! Refunds are processed as quickly as possible. Refunds for cash payments may require up to 30 working days.

## Authorized Registrant

Attendance at/within a LACC Extension offering is limited to paid/registered students, unless otherwise specifically authorized in the offering description or by the instructor. Instructors and LACC personnel reserve the right to bar/expel unauthorized persons or guests of registered students. Any person deemed to be disruptive to the class or a safety hazard may be subject to discipline or legal action pursuant to LACC/LACCD rules/regulations.

## Classroom Material Fees

Please be aware that some LACC Extension classes have material fees (for handouts/supplies) required by the instructor. Material fees are always optional. However should you choose not to purchase supplies or materials, your participation in the class may be limited.

## Refunds & Transfers: Choose your classes carefully!

All requests for refunds or transfers must be made at least two days before the start of class and are subject to a \$10 cancellation fee per class. There are no refunds nor transfers granted after the 48-hours prior to class. Transfers are limited to once per class. Exclusions apply.
