Grades, Certificates, Awards of Completion & Attendance

LACC Extension class offerings are not-for-credit. We do not maintain grades or transcripts and do not grant degrees or Certificates as defined by the California Education Code and Title V of the CA Code of Regulations.

Students may request an Award of Completion for any LACC Extension class for just \$10. Students must have 90% or better attendance to be eligible.

LACC Extension and Los Angeles City College do not certify quality of work done nor competencies gained within our offerings unless specifically delineated. Some offerings lead to separate certification of competency or offer credentials from entities separate from LACC and the LACCD, and are specifically noted.

Room Assignments

Due to ongoing construction, campus renovations, and other factors, LACC Extension has limited access to facilities. Rooms will typically be assigned by the college 1-2 days prior to the start of class. We appreciate your patience and will notify students via the phone and/or email information provided at registration as soon as possible. To aid us in this process, we appreciate a valid email address and local area code phone number on file with your account.

Credits & Electronic Vouchers

Electronic Vouchers or Credits may be granted to students in lieu of refunds or for other purposes. These vouchers are non-refundable and must be used within 365 days of issuance. Electronic Gift Cards purchased by students do not expire.

Physical Activity

Some LACC Extension offerings require a degree of physical activity and capability. All participants should check with their physician prior to beginning a new activity.

Class Cancellations

The State of California mandates that LACC Extension programs be entirely self-supporting. This means that from time to time, we have to cancel a class that does not have enough enrollments. Classes canceled by us are eligible for full refunds and students may always opt to transfer their payment toward another class. Help us avoid cancellations and guarantee your spot – register early and register a friend! Refunds are processed as quickly as possible. Refunds for cash payments may require up to 30 working days.

Authorized Registrant

Attendance at/within a LACC Extension offering is limited to paid/registered students, unless otherwise specifically authorized in the offering description or by the instructor. Instructors and LACC personnel reserve the right to bar/expel unauthorized persons or guests of registered students. Any person deemed to be disruptive to the class or a safety hazard may be subject to discipline or legal action pursuant to LACC/LACCD rules/regulations.

Classroom Material Fees

Please be aware that some LACC Extension classes have material fees (for handouts/supplies) required by the instructor. Material fees are always optional. However should you choose not to purchase supplies or materials, your participation in the class may be limited.

Refunds & Transfers: Choose your classes carefully!

All requests for refunds or transfers must be made at least two business days before the start of class and are subject to a \$10 cancellation fee per class. There are no refunds nor transfers granted after the two business days prior to class. Transfers are limited to once per class. Exclusions apply.
