# Pharmacy Technician Program

Venture into a new career in one of the most in-demand professions in California and the nation! Pharmacy Technicians in Southern California earn an average of \$49,990 per year, with California having the most employment opportunities in the nation for Pharmacy Technicians (source: the U.S. Department of Labor, Bureau of Labor Statistics).

In just a matter of months, our classroom instruction and hands-on externship will give you everything you need to become a licensed California Pharmacy Technician working in a pharmacy. This is not simply a "test prep" class; this is a comprehensive program approved by the Pharmacy Technician Certification Board (PTCB), and it is a fraction of the cost of similar for-profit training programs.

If you are interested in the healthcare field, LACC Extension's Pharmacy Technician Program is the perfect opportunity to get started quickly in a career that makes a difference in the lives of others.

# Welcome from the College President

Welcome to Los Angeles City College!

The LACC Extension program offers a variety of classes for you, your friends, and your family members who wish for a career enhancement or just to explore personal interests. Whether it is a class to develop new skills, obtain workforce training, complete a high school diploma, start your own business, or discover a new hobby, we are here to serve you.

We have added many classes to our fall extension schedule, including Sunrise Meditation for the International Day of Peace, Crochet for Beginners, How to Make Your First Short Film, Open Volleyball, Watercolor for Kids and more!

Classes are offered during the day, evenings, and weekends. Find the time that best fits your schedule, and we look forward to seeing you on campus.

Los Angeles City College remains the place to BeLieve, Achieve and SuCCeed.

Enjoy the fall.

Warm regards,

*Dr. Mary Gallagher*, MBA, PhD

# Welcome to LACC Extension

## A Message from Our Program Manager

Hello LACC Extension Students!

We hope you've had a wonderful summer! We hope you've been able to spend some time with friends and family, taken a little break from work, maybe even gone on a vacation. And of course, we hope you have nourished yourself with some of LACC Extension's awesome summer classes!

As the energy and brilliance of summer transforms itself into the beauty and abundance of fall, LACC Extension invites you to consider your own transformation. What areas of your life are you seeking to grow in? And how can you spark this expansion?

LACC Extension classes offer numerous opportunities to educate, express, and enjoy. You might be considering a new career as a pharmacy technician or a medical coder. Perhaps you've always wanted to learn to paint or speak Spanish. Maybe creating your own bath products or taking a ceramics class sounds exciting and fun. Whatever it is that's calling you, we hope you will let LACC Extension help you make this fall a season of fulfillment and expansion.

Thank you,

*Jason Lesner*  
Program Manager, LACC Extension

## Medical Coding & Billing Series

According to the US Bureau of Labor Statistics (BLS), the projection of growth and demand for medical coders and billers is growing rapidly. With the skill set you will obtain in this series, you will be prepared to sit for the license exam for a national certification with AAPC or AHIMA.

So if you're interested in working with a doctor's office, clinic or healthcare facility, dental office, insurance company, or independent billing company, LACC Extension's Medical Insurance Series is a great place to start your career or expand on your skills!

### Part 1: Medical Terminology

To work in healthcare, knowing medical terminology and having the ability to communicate with physicians, dentists, and other medical professionals is a must. Learning medical terminology will open the door to many job opportunities in the healthcare field. Students in this course will receive thorough instruction in developing fluency with medical terms covering the different body systems, body orientation, diseases, and medical treatments. By the end of this course, you will be familiar with word components for quick mastery of countless medical terms and be able to communicate effectively with peers in the field. **No class Feb 17.**

**Optional book:** *The Language of Medicine* by Davi-Ellen Chabner. Physical book or .pdf version.

<a href="#">11297</a>	Fee: \$169	Glady Tagamolila-Que
Jan 20-Feb 24	5 Sat	9:00 AM-2:00 PM

### Part 2: Medical Insurance Coding

In physician practice it is common for the Medical Biller to also be the Medical Coder because physicians depend on the Biller/Coder to determine the diagnostic codes for procedures. In this class, learn how to find the proper procedure (CPT-4) and diagnostic codes (ICD-10), how to do proper code sequencing, and when to use these codes.

**Prerequisite: Medical Terminology or experience in the medical field. No class Sep 2.**

**Required Books:** *ICD-10-CM (any publisher) CPT (published by American Medical Association). Old editions accepted if for practice only. Purchase 2023 editions if you are taking the license exam any time in 2023. Purchase 2024 editions if you are taking the license exam in 2024.*

### Part 3: Medical Insurance Billing

Once you have taken Medical Coding, you are ready for the final class in the series. In Medical Insurance Billing, students will get a thorough know-how of billing all 3rd party payers for physicians' charges. This class will give you a look into the differences between insurance policies and insurance companies, how to fill out forms required for billing, how to handle patients, and collect their payments. **Prerequisites: Medical Terminology & Medical Insurance Coding. Have your ICD-10/CPT-4 coding books.**

### Electric Vehicle Charging Station Design, Installation, and Operation

One of fastest growing businesses in the USA and worldwide is electrical vehicle charging station (EVCS) installation. Millions of electric cars, SUVs, and trucks will be on the road due to a mandate that states that by 2035 all new cars and passenger trucks sold in California be zero-emission vehicles. This will require millions of charging stations to be installed at garages, parking lots, and roadside electric poles. EVCS installers and service providers will be in high demand all over US and worldwide, and this course offers A to Z instruction of EVCS design, installation, operation, and troubleshooting! Award of Completion issued upon student's achievement of the class. **Class fee includes materials.**

The Los Angeles City College Extension Program is proud to introduce The Rodney Dangerfield Institute (RDI). RDI was established in honor of the late iconic comedian with the intention of giving top-notch training to the next generation of comic talent. We are excited to kick off this relationship with a stand-up comedy class and a sketch writing class. We hope you'll join us as we create a space for everyone to develop their comedy skills.

### Stand-Up Comedy 101

I bet you've been told you're funny. Well, here's your chance to show off your comedic instincts. This class will teach you the basics of stand-up comedy: joke-writing, performance, structuring your set, even handling hecklers. Following the workshops, students will have the opportunity to perform their own original stand-up comedy routine at Flappers Comedy Club! **No class Dec 4.**

*Christian Cintron is a stand-up comedian, writer, and teaching artist. He has performed at Caroline's Comedy Club, Gotham Comedy Club and Flappers. His writing on comedy has been featured in Backstage. Christian also created Stand Up 4 Your Power, a self-improvement approach to stand-up comedy.*

### Off-the-Cuff Comedy Improv

Do you have presentations at work? Are you a teacher or a lawyer or an IT worker? Do you not like the idea of public speaking? This class can help. Have a blast and learn a new skill! Actors and non-actors learn the building blocks of improvisational comedy. Comedic improvisational acting is about communication, teamwork, listening and trusting yourself, all in a very fun environment. Learn fundamentals, philosophy and rules through games, exercises, and scene work. **Advanced class ends with a showcase performance! No class Oct 21.**

## Grades, Certificates, Awards of Completion & Attendance

LACC Extension class offerings are not-for-credit. We do not maintain grades or transcripts and do not grant degrees or Certificates as defined by the California Education Code and Title V of the CA Code of Regulations.

Students may request an Award of Completion for any LACC Extension class for just \$10. Students must have 90% or better attendance to be eligible.

LACC Extension and Los Angeles City College do not certify quality of work done nor competencies gained within our offerings unless specifically delineated. Some offerings lead to separate certification of competency or offer credentials from entities separate from LACC and the LACCD, and are specifically noted.

## Room Assignments

Due to ongoing construction, campus renovations, and other factors, LACC Extension has limited access to facilities. Rooms will typically be assigned by the college 1-2 days prior to the start of class. We appreciate your patience and will notify students via the phone and/or email information provided at registration as soon as possible. To aid us in this process, we appreciate a valid email address and local area code phone number on file with your account.

## Credits & Electronic Vouchers

Electronic Vouchers or Credits may be granted to students in lieu of refunds or for other purposes. These vouchers are non-refundable and must be used within 365 days of issuance. Electronic Gift Cards purchased by students do not expire.

## Physical Activity

Some LACC Extension offerings require a degree of physical activity and capability. All participants should check with their physician prior to beginning a new activity.

## Class Cancellations

The State of California mandates that LACC Extension programs be entirely self-supporting. This means that from time to time, we have to cancel a class that does not have enough enrollments. Classes canceled by us are eligible for full refunds and students may always opt to transfer their payment toward another class. Help us avoid cancellations and guarantee your spot – register early and register a friend! Refunds are processed as quickly as possible. Refunds for cash payments may require up to 30 working days.

## Authorized Registrant

Attendance at/within a LACC Extension offering is limited to paid/registered students, unless otherwise specifically authorized in the offering description or by the instructor. Instructors and LACC personnel reserve the right to bar/expel unauthorized persons or guests of registered students. Any person deemed to be disruptive to the class or a safety hazard may be subject to discipline or legal action pursuant to LACC/LACCD rules/regulations.

## Classroom Material Fees

Please be aware that some LACC Extension classes have material fees (for handouts/supplies) required by the instructor. Material fees are always optional. However should you choose not to purchase supplies or materials, your participation in the class may be limited.

## Refunds & Transfers: Choose your classes carefully!

All requests for refunds or transfers must be made at least two business days before the start of class and are subject to a \$10 cancellation fee per class. There are no refunds nor transfers granted after the two business days prior to class. Transfers are limited to once per class. Exclusions apply.
