LACC FKCE Class Descriptions | November 2023

Workshop Title	Date/Time	Trainer	Class Description
Cultural Diversity & Cultural Sensitivity (Renewal for RFA, W, and SCI-Specialized)	November 3, 2023, 5:30pm-8:30pm	Rob Hanna	This workshop is to show parents how to deal with the different cultures their youth might have and how to incorporate the different diversities into their family way. It also teaches them to be sensitive to their needs and differences.
Documentation and Record Keeping (Renewal for RFA, W, and SCI-Specialized)	November 6, 2023, 5:00pm-8:00pm	Denetra Norwood/ Sandra Smith	This workshop covers the importance of documentation and record keeping. As well, it shows the proper way of documenting events and keeping records effectively. At the end of the workshop we expect caregivers to make documentation a part of their everyday routine, as well as making them aware of the importance of documentation and how it can protect them as well as the child's well being
Understanding Feelings & Behaviors (Renewal for RFA, W, and SCI-Specialized)	November 8, 2023, 5:30pm-8:30pm	Rob Hanna	This class will describe different techniques caregivers can use to ensure that they use time management to relax, and be as stress-free as possible. Different household remedies will also be discussed.
Special Care Increment (SCI) Training (Formerly known as D & F-rate training)	Nov 13, 14, and 15, 2023 5:00pm – 9:00pm **YOU MUST ATTEND ALL 3 SESSIONS**	Sandra Smith	The Special Care Increment (SCI) Training is the 12 hours foundational training for resource parents who are caring for children, adolescents and non-minor dependents who require specialized care resulting in resource parents going above and beyond the basic level of care (LOC) to meet a child's health, physical, emotional, behavioral, educational, permanency and family service needs. This training covers an overview and explanation of LOC & SCI, substance use, medication and behavior management, the impact of trauma on development, navigating the educational system, birth parent engagement, self-care and resources for successful SCI placement.
Helping Children Deal with Stress (Renewal for RFA, W, and SCI-Specialized)	November 18, 2023, 10am-1pm	Sharonda Barksdale	Traumatic experiences are stressful. This workshop will address how children show stress, and how can we help them deal with stressful situations.
Asthma Awareness: Education and Management (Renewal for RFA, W, and SCI-Specialized)	November 20, 2023, 5:00pm-8:00pm	Sandra Smith	A class to give foster parents and relative care givers education and make them aware in dealing with asthma.
Breaking Negative Habits (Renewal for RFA, W, and SCI-Specialized)	November 22, 2023, 5:30pm-8:30pm	Rob Hanna	This workshop will discuss how we can help children break negative habits when they come home.

Dealing with Allegations (Renewal for RFA, W, and SCI-Specialized)	November 26, 2023, 5:00pm-8:00pm	Denetra Norwood	This class is designed to help foster parents deal with false allegations. Explaining to the Foster Parents the importance of documentation day by day to protect them as well as the children in their homes.
Siblings: Supporting Permanent Connections 5:00pm-8:00pm	November 30, 2023, 5:00pm-9:00pm	Denetra Norwood	This class will focus on understanding the importance of sibling connections throughout foster care. Families will be able to identify some of the barriers of placing siblings together and describe some of the negative effects of separation on siblings in out-of-home care. They will learn how to advocate for placement decisions of sibling groups and learn how to support the sibling connection when brothers and sisters are separated. Parents will also discover the benefits of placing siblings together and have a greater understanding of permanency outcomes when children are placed with their siblings.
