Pharmacy Technician Program

Venture into a new career in one of the most in-demand professions in California and the nation! Pharmacy Technicians in Southern California earn an average of \$55,710 per year, with California having one of the most employment opportunities in the nation for Pharmacy Technicians (source: the U.S. Department of Labor, Bureau of Labor Statistics).

In just a matter of months, our classroom instruction and hands-on externship will give you everything you need to become a licensed California Pharmacy Technician working in a pharmacy. This is not simply a "test prep" class; this is a comprehensive program approved by the Pharmacy

Technician Certification Board (PTCB), and it is a fraction of the cost of similar for-profit training programs.

If you are interested in the healthcare field, LACC Extension's Pharmacy Technician Program is the perfect opportunity to get started quickly in a career that makes a difference in the lives of others.

A Message from Our Program Manager

Hello LACC Extension Students!

As the weather gets a little colder and you're spending the holidays with family and friends, don't forget to take a moment for yourself to reflect on the deeper meaning of winter. Winter is a great time for reflection, renewal, and preparation. We reflect on the year that's passed, what we'd like to change and what we'd like to build on. We renew our spirits for a fresh start. And we prepare ourselves to grow into a more evolved version of ourselves.

At LACC Extension, we are excited to offer a selection of classes that are bound to answer the calling of this winter's reflection, renewal, and preparation. Whether it's discovering a new creative outlet, developing a skill for personal or professional growth, or simply connecting with others who share your passions, we invite you to step into a journey that will nurture your intellect, curiosity, and enthusiasm. Our winter catalog features a wide variety of courses designed to suit every interest and schedule. Take this season as an opportunity to spark your desire to learn and grow with classes through LACC Extension.

Have a Wonderful Holiday Season!

According to the US Bureau of Labor Statistics (BLS), the projection of growth and demand for medical coders and billers is growing rapidly. With the skill set you will obtain in this series, you will be prepared to sit for the license exam for a national certification with AAPC (which issues the CPC license - Certified Professional Coder) or AHIMA (which issues the CCS license - Certified Coding Specialist).

So if you're interested in working with a doctor's office, clinic or healthcare facility, dental office, insurance company, or independent billing company, LACC Extension's Medical Insurance Series is a great place to start your career or expand on your skills!

Part 1: Medical Terminology

To work in healthcare, knowing medical terminology and having the ability to communicate with physicians, dentists, and other medical professionals is a must. Learning medical terminology will open the door to many job opportunities in the healthcare field. Students in this course will receive thorough instruction in developing fluency with medical terms covering the different body systems, body orientation, diseases, and medical treatments. By the end of this course, you will be familiar with word components for quick mastery of countless medical terms and be able to communicate effectively with peers in the field. **No class May 24.**

Optional book: *The Language of Medicine* by Davi-Ellen Chabner. Physical book or .pdf version.

Part 2: Medical Insurance Coding

In physician practice it is common for the Medical Biller to also be the Medical Coder because physicians depend on the Biller/Coder to determine the diagnostic codes for procedures. In this class, learn how to find the proper procedure (CPT-4) and diagnostic codes (ICD-10), how to do proper code sequencing, and when to use these codes. **Prerequisite: Medical Terminology or experience in the medical field.**

Required Books: *ICD-10-CM (any publisher) CPT (published by American Medical Association). Old editions accepted if for practice only. Purchase 2025 editions if you are taking the license exam in 2025. No class Feb 15 & Jul 5.*

Part 3: Medical Insurance Billing

Once you have taken Medical Coding, you are ready for the final class in the series. In Medical Insurance Billing, students will get a thorough know-how of billing all 3rd party payers for physicians' charges. This class will give you a look into the differences between insurance policies and insurance companies, how to fill out forms required for billing, how to handle patients, and collect their payments. **Prerequisites: Medical Terminology & Medical Insurance Coding. Have your ICD-10/CPT-4 coding books.**

Grades, Certificates, Awards of Completion & Attendance

LACC Extension class offerings are not-for-credit. We do not maintain grades or transcripts and do not grant degrees or Certificates as defined by the California Education Code and Title V of the CA Code of Regulations.

Students may request an Award of Completion for any LACC Extension class for just \$10. Students must have 90% or better attendance to be eligible.

LACC Extension and Los Angeles City College do not certify quality of work done nor competencies gained within our offerings unless specifically delineated. Some offerings lead to separate certification of competency or offer credentials from entities separate from LACC and the LACCD, and are specifically noted.

Room Assignments

Due to ongoing construction, campus renovations, and other factors, LACC Extension has limited access to facilities. Rooms will typically be assigned by the college 1-2 days prior to the start of class. We appreciate your patience and will notify students via the phone and/or email information provided at registration as soon as possible. To aid us in this process, we appreciate a valid email address and local area code phone number on file with your account.

Credits & Electronic Vouchers

Electronic Vouchers or Credits may be granted to students in lieu of refunds or for other purposes. These vouchers are non-refundable and must be used within 365 days of issuance. Electronic Gift Cards purchased by students do not expire.

Physical Activity

Some LACC Extension offerings require a degree of physical activity and capability. All participants should check with their physician prior to beginning a new activity.

Class Cancellations

The State of California mandates that LACC Extension programs be entirely self-supporting. This means that from time to time, we have to cancel a class that does not have enough enrollments. Classes canceled by us are eligible for full refunds and students may always opt to transfer their payment toward another class. Help us avoid cancellations and guarantee your spot – register early and register a friend! Refunds are processed as quickly as possible. Refunds for cash payments may require up to 30 working days.

Authorized Registrant

Attendance at/within a LACC Extension offering is limited to paid/registered students, unless otherwise specifically authorized in the offering description or by the instructor. Instructors and LACC personnel reserve the right to bar/expel unauthorized persons or guests of registered students. Any person deemed to be disruptive to the class or a safety hazard may be subject to discipline or legal action pursuant to LACC/LACCD rules/regulations.

Classroom Material Fees

Please be aware that some LACC Extension classes have material fees (for handouts/supplies) required by the instructor. Material fees are always optional. However should you choose not to purchase supplies or materials, your participation in the class may be limited.

Refunds & Transfers: Choose your classes carefully!

All requests for refunds or transfers must be made at least two business days before the start of class and are subject to a \$10 cancellation fee per class. Requests made after two business days will not be honored. Transfers are limited to once per class. Missed classes may not be rescheduled or made up. Exclusions apply.
