transfer to the CSU or UC, nor is it the only way to fulfill the lower-division general education requirements for students at the CSU or UC. Students may choose to complete coursework to meet the CSU or UC campus-specific breadth requirements of the university program to which they plan to transfer. A minimum of 60 semester or 90 quarter UC transferable units with a minimum 2.4 GPA (non-resident students 2.8 GPA) is required. Although courses may be listed in multiple general education areas (1-7), a course can be given credit in only one GE subject area. Consult with a counselor regarding which catalog year may be most beneficial and appropriate, i.e., if you are eligible to use previous IGETC patterns (pre-fall 2023). This advisement sheet can be modified or updated from time to time. All CSU/UC transferable courses can be verified at www.assist.org. The Articulation Officer has final review and determination of all courses and catalog rights applied toward IGETC certification.
